

Nice and Homely

Municipality of Ivančna Gorica

**Active Researchers
Program**

1

Kosca and Višnjica Waterfalls

Hike along the Kosca stream and explore its gorge, then visit the highest tufa waterfall in Slovenia. Adrenaline enthusiasts can climb the ladder to the Višnjica waterfalls.

Starting point: Višnja Gora

**2**

Cycling

Cycling around Ivančna Gorica offers a full range of exciting experiences, as you get to learn about the treasures of cultural heritage in Muljava and the Cistercian monastery in Stična. For an extreme biking challenge, visit the Bike Park in the Cukarca Adventure Park

3

Krka River Spring and Krka Cave Guided Tour

Take a guided tour to the spring of the beautiful main Lower Carniolan river, as it proudly emerges from the horizontal Krka cave. Conclude the tour by taking the River of Love path or by crossing the Bridge of Love.

Information: www.tdkrka.si

**4**

Canoeing or Fishing in the Krka river

The green Krka river welcomes fishermen, swimmers, and boaters. Go canoeing or kayaking on the second longest river in Slovenia. In summer, the Krka river is a popular source of refreshment.

Information: www.krka-river-lodge.com, www.kkkkrka.si

**5**

Adrenaline rush above the clouds

At the airport in Šentvid pri Stični, you can tandem skydive. Take a scenic flight to experience the Lower Carniolan landscape from a bird's eye.

Information and booking:

Aviation Club Šentvid, www.lk-sentvid.com

6

Pristava Tourist Village

Visit this special village, succumb to its charms, and find tranquillity in the midst of intact nature. The tourist village offers a range of interesting experiences. Discover the traces of Virida Visconti, who is associated with the Alfa Romeo brand, treat yourself to exceptional views on the themed route, sleep in your camper van, and taste the best of the country cuisine.
